Youth Hostel

A Hostel in the centre of Paris !

Welcome to the Youth Hostel Adveniat !

Situated in the heart of Paris, a short walk from the Champs-Élysées, the Hostel Adveniat offers you an ideal base for visiting the capital!

Our rooms are new and we provide a variety of services to facilitate your stay and make you as comfortable as possible.

You will love our friendly lounge and bar!

But, we offer you more than a bed and a pleasant setting !

Animated by the Catholic Religious Congregation of the Augustinians of the Assumption (the Assumptionists), the Youth Hostel Adveniat gladly welcomes believers and nonbelievers. It offers itself as a place where its guests are able to interact with each other.

Besides the monuments of Paris, we invite you to meet the local inhabitants. Why not profit from your experience here by accepting one of our rich proposals !

For a more beneficial stay! To better discover Paris and its inhabitants! The Hostel Adveniat offers you:

- **A guide to show you around Paris.**

The Hostel Adveniat offers you a companion to accompany you on your visit to the religious and historic monuments and buildings of the capital. This service is free.

- **Discover other faces of Paris.**

Besides the Eiffel tower, the Louvre, and the Champs-Élysées, the Hostel Adveniat offers you the opportunity to visit places off the tourist circuit that will give a completely different image of Paris.

- **Meet young French people.**

We offer you the opportunity to meet and participate in groups with other young people: prayer groups, faith sharing groups, Bible study groups, etc.

These groups offer a rich opportunity to discuss and share with others.

- **Opportunity to Volunteer.**

Why not offer some of your time helping in an association that responds to the needs to the poor? We invite you to join other volunteers who help distribute meals to the homeless and offer welcome and support to people living on the streets.

- **Have a meal with a French family.**

We have number of friends willing to invite you to have a meal with them. This offers you an opportunity to exchange and share something about your life, and to discover, in greater depth, the inner riches of the French people and the culture and customs of France.

- **Share in the prayer of the Community**

A Community is responsible for the animation and maintenance of the Youth Hostel Adveniat. Living in the centre of the Hostel, this community is composed of Assumptionist religious and young people wanting to share in the fraternal life of the community and in its prayer.

You are invited to share in their celebrations in the chapel which is situated in the basement of the Hostel. The chapel is always open for prayer, reflection and silence: it never shuts.
