**50 OLD ENGLISH ROAD  
COMMUNITY, COMFORT AND CARE  
FOR SENIOR ASSUMPTIONISTS**

We, Assumptionists, encourage our senior brothers to remain in our active communities as long as possible. However, we understand that there comes a time when that is no longer convenient. Until their health needs require nursing home care, we invite them to join the community at 50 Old English Road (OER). Here we are able to provide a comfortable home where they can get the care they need and continue to share Assumptionist community life.

Committing ourselves to collaborative leadership and formation in the Church, we teach, preach and foster education in all its forms. [from our Mission Statement]

Taking our direction from this statement, our goal at the Assumptionist Center in Brighton is to build a Christian community composed of religious and lay people inspired by the Assumptionist Rule of Life and in the Augustinian model.
